

CAPABILITIES STATEMENT: DISASTER RECOVERY

ABOUT US

Greene Street Communications, LLC specializes in guiding communities through the complexities of disaster-recovery funding. As a trusted consulting firm with extensive expertise in emergency management, we can assist organizations in securing and administering **Community Development Block Grant – Disaster Recovery (CDBG-DR)** funding. Our work supports local economic revitalization, business restoration, and long-term job creation. Additionally, **our team has expert knowledge of the U.S. Housing and Urban Development (HUD) and CDBG-DR regulations** specific to economic revitalization.

DIFFERENTIATORS

What sets Greene Street Communications apart is our ability to seamlessly bridge the gap between funding, policy, and people. We are leaders in outreach and community engagement, ensuring that recovery efforts are not only efficient but also deeply responsive to the unique needs of each community we serve.

We prioritize human-centered, culturally relevant communication that builds trust, fosters collaboration, and empowers stakeholders at every level. Our team brings seasoned capabilities in strategic planning, project management, and event execution, enabling us to deliver streamlined, impactful support in any environment.

PAST AND PRESENT CLIENTS

Greene Street brings extensive experience in emergency management, delivering impactful solutions for federal, state, and local agencies. Our team has produced educational videos for **FEMA**, developed training programs and marketing materials for emergency management agencies in Oregon and Virginia, and led outreach efforts for a pioneering flood preparedness initiative with **NOAA**. Additionally, we provided technical assistance for the **EPA's Community Change Grant Program**, supporting over 300 organizations nationwide in preparing grant applications for funding opportunities of up to \$20 million. Our expertise ensures communities have the resources, knowledge, and support needed to strengthen resilience and recovery efforts.
